ABOUT US

INTRODUCTION

Appvolusi Company Sdn. Bhd. (AV) was established in Jan 2022, AV is a 100% Bumiputera company that specializes in the creative and IT solutions sector. We are dedicated to merging creativity with cutting-edge technology to deliver outstanding services to all our clients, ranging from startups to multinational companies.

At Appvolusi, we are on a mission to revolutionize how businesses approach graphic design, creative services, and IT solutions. Our passion for combining technology with creative design has led us to create stunning and innovative artworks that delight our customers and capture their attention.

Our team is committed to staying at the forefront of technological advancements and creative trends to ensure that we continue to provide top-notch solutions that meet the evolving needs of our clients. Whether it's crafting visually captivating designs, developing innovative IT solutions, or providing exceptional customer service, Appvolusi strives for excellence in everything we do.

With a focus on customer satisfaction and a drive for innovation, we are dedicated to helping businesses thrive in an increasingly digital world. Join us on our journey as we redefine the boundaries of creativity and technology to unlock new possibilities for our clients.

Co- founder and **CEO**
MUSTAQIM ESA

Co- founder and **COO**
RIDZWAN NOOR

Together, Ridzwan Noor and Mustaqim bring a wealth of knowledge and expertise to AV, combining technical proficiency with entrepreneurial acumen. Our diverse skill sets and experiences complement each other, driving AV's mission to revolutionize the intersection of creativity and technology in the IT and creative services industry.

ABOUT US

EMPOWERING THE FUTURE

The company's chosen motto aligns with its mission and vision to become a key mechanism in adhering to the Malaysian government's policy to transform Malaysia into a digital technology-driven nation.

VISION

Appvolusi Sdn. Bhd. to become a
Top 10 IT company in Malaysia

ABOUT US

MISSION

1. The company's mission is to empower technology within businesses at various levels.
2. Enhance technology in businesses that prioritize quality and service such as systems, processes, infrastructure, and so forth. Therefore, these positive aspects contribute to improvement towards excellence.
3. Provide professional and skilled personnel to execute tasks more productively.
4. Ensure that manufacturing and service work is carried out according to established standards.

APPVOLUSI SDN. BHD. AIMS TO BECOME A TOP 10 IT COMPANY IN MALAYSIA.

The primary goal of establishing Appvolusi Sdn. Bhd. (AV) is twofold. Firstly, it is to provide services to entrepreneurs to empower technology within their businesses, enabling them to transform towards digital technology-driven enterprises.

Secondly, it is to produce quality and optimal products for users to facilitate all lengthy processes. Appvolusi's aspiration is to become one of the mechanisms for enhancing the country's economy through the field of technology.

ABOUT US

COMPANY POLICY

WE WILL ALWAYS ENSURE THAT COMPANY POLICIES ARE ADHERED TO

As an ICT company, Appvolusi Sdn. Bhd. assures that all our products maintain the highest quality standards. We uphold ethical values in our business practices and maintain high-quality performance in compliance with Malaysian legal requirements.

Furthermore, the company also respects the rights of every individual and our customers to safeguard information and privacy. We value relationships with our customers. Therefore, we will maintain loyalty and respect for each customer by providing information security and privacy.

QUALITY POLICY

To ensure that the company can produce the best and most effective products and services, the company has established a quality policy to further strengthen the company's goals of producing quality and optimal products.

- We are committed to providing the best services in management, development, safety, and administration to meet customer requirements through comprehensive quality management and continuous improvement in line with the company's vision and mission.
- Provision of suitable equipment and environment to ensure the quality of products or services.
- Provision of necessary training to ensure that staff understand and practice the company's quality policy.
- Ensuring the company's quality commitment is embedded in all work processes and throughout the organization.

This quality policy should be communicated to all staff and implemented in all aspects of the company's operations. It should be periodically reviewed to ensure its relevance to the changing operational environment of the company.

ABOUT US

THE FIVE (5) CORE VALUES THAT GUIDE OUR COMPANY ARE:

We are governed by core values that shape our culture and define the nature of our company. We remain accountable to our stakeholders, namely Customers and Employees. We will strive to maximize the value of our company based on these core values.

CORE VALUES

▶ INNOVATION

Appvolusi heavily relies on innovation to enhance our products and services as well as to increase profitability. Innovation can come from the discovery of new technologies or the development of better products.

▶ QUALITY

Appvolusi provides high-quality products and services to meet the needs of our customers and comply with relevant industry regulations.

▶ COMPLIANCE

Appvolusi complies with relevant government and industry regulations, including privacy, data, and security.

▶ DIVERSITY AND INCLUSION

Appvolusi fosters a culture that respects diversity and maintains inclusiveness. This includes employees with different genders, ethnicities, sexual orientations, and other backgrounds.

▶ INTEGRITY

Appvolusi acts with integrity in all aspects of our operations, including in business, ethics, and relationships with customers, suppliers, and partners.
